

NIKITA NOTOWIDIGDO

ASSOCIATE

QUALIFICATIONS

MArch BDes(Arch)

REGISTRATION
CEFPI (Council of Educational, Facility Planners International)

An integral member of the BVN team, with significant experience in the design of learning environments.

Nikita is an integral member of the BVN team, with a particular focus on education projects, both in school & university environments, but also translating this experience of learning environments to museums, galleries, libraries and workspace.

Significant projects include the redevelopment of Arthur Phillip High School and Parramatta Public School, Artzone and 'Time & Void' Exhibition at AGNSW, and Double Bay Library fitout. In addition to project work, Nikita has assisted in the organisation of the 2011 Australasia CEFPI (Council of Educational Facility Planners International) Conference in Sydney. Nikita also regularly teaches architectural design and communications at the University of Sydney and is a contributing writer to several design publications.

Nikita has recently joined the new BVN studio in New York City.
