

MARC HINE

INTERIOR DESIGNER

QUALIFICATIONS

BAIntArch

Demonstrating enormous proactivity and initiative, Marc is methodical, creative and thorough in his approach to the design process, a key member in any design team.

Marc has a strong design ability and is an enthusiastic designer who brings clear thinking and new ideas to each project that he works on. Graduating with a degree in Interior Architecture from Curtin University, Marc brings a wealth of creativity, conceptual understanding and technical ability to each project.

With 5 years of experience, Marc has worked with a plethora of clients in Workplace, Commercial Fit out, Healthcare and Education sectors, with a thorough understanding of design methodologies suited across several key portfolios.

As an interior designer Marc has been responsible for the design, documentation and delivery standards of projects both in Australia and North America.
